Mysore deputy-commissioner's office,
Local Funds Branch,
dated 3rd September 1903,

To

M. V. Nanjundiah Esquire, M.A., M.L.,
Secretary to
the Government of Mysore,
Revenue and general departments,

Sir,

With reference to Government order C.No. 18109-10 / L.7182-02 of the 25th June 1903, sanctioning the levy of fees at the Terakanambi Saute in the Gundlupet Taluk, I have the honor to state that the order was communicated to the Amildar through the Assistant-Commissioner in charge of the Taluk. On the 22nd August 1903, two applications were received by the Amildar, to the effect that the right of collecting fees might be let out on contract. The Amildar submitted them to the Sub-division Officer for orders. The Divisional Officer (Mr. C. Venkat Rao) passed an order on the 23rd idem that the right might be sold.

His

His order was duly carried out and the highest bid secured was for Rs153/- per month. The next day after the sale an application was received from the person who purchased the right, stating that his contract might be cancelled, as he is told that no fees should be levied on empty carts. On perusing the records, I am sorry to find that the Assistant Commissioner did not clearly understand the object of both the Government and the District Fund Board in levying the fees. It was, I believe, with the intention of knowing how far the amount that is to be spent on the construction of market platforms can be recouped by the levy of fees, that it was recommended. By letting out the right on contract from the beginning, this opportunity will have lost. But seeing that the results of the very first sale has been rather satisfactory and encouraging, I think the sale may be confirmed. It may not be that the results will be so satisfactory if the System was worked Annual. Under these circumstances I beg that Government may be pleased to instruct me definitely as to whether

the

The System can be let out on Contract or be managed by departmental agency as early as convenient.

2. I further request you, in any case, to be so good as to obtain the Sanction of Government to postpone the levy of fees in the market till the 1st October 1923 pending the receipt of orders solicited above.

I have the honor to be,
